Bringing ASEAN's engineering community together for 36 years

The Conference of the ASEAN Federation of Engineering Organisations (CAFEO) is back! This year, The Institution of Engineers, Singapore (IES) is honoured to host the 36th edition in Singapore.

ORGANISED BY

CAFEO 36 will be an event with added significance, as it will coincide with Singapore's Chairmanship of ASEAN. In light of the adoption of the Master Plan on ASEAN Connectivity 2025 by ASEAN leaders in September 2016, IES is aligning CAFEO 36 around two distinct themes – **Engineering Rail Connectivity and Fostering Excellence in Engineering Education**.

SRTC CO-ORGANISED WITH

For the first time, IES is also joining forces with the SMRT Corporation and the Singapore University of Technology Design to organise two exciting and content-rich conferences – the Singapore Rail Technology Conference (SRTC) and the ASEAN Engineering Deans Summit (AEDS).
